Cllr Malcolm Wallace with local campaigner Danny Lee

If there's an issue you need to raise, the quickest way to get the problem sorted out is to contact the council directly using the numbers above, or you can email customerservice@winchester.gov.uk.

If you're having a problem with council services, get in touch with **Cllr Malcolm Wallace** mwallace@winchester.gov.uk or **Danny Lee** - djlrover89@gmail.com, both working hard for local residents.

POP THIS ON YOUR FRIDGE!

COUNCIL COLLECTION KERBSIDE RECYCLING: all recycling should be dry and clean

-  **GREEN BIN:** clean paper, cardboard, food & drink cans, aerosols, plastic bottles without caps; NO OTHER PLASTIC.
-  **BROWN BIN:** garden waste only; currently a paid extra service.
-  **GLASS:** monthly collection when crate supplied.
-  **SMALLER ELECTRICAL GOODS/BATTERIES:** bagged separately, placed on top of green or black bin. No light bulbs.
-  **BLACK BIN:** household waste that is not recyclable - check for exceptions.

AT HOME

-  **FOOD WASTE:** use a compost bin (eg 'bokashi' kitchen bin) or garden composter.

OTHER RECYCLING Take to a recycling point: all recycling should be dry and clean. Some communities have cooperative schemes: consider starting or joining one.

-  **COUNCIL RECYCLING CENTRES:** keep up to date on what is recycled - eg clean kitchen baking foil is accepted, light bulbs etc.
-  **SOFT PLASTIC/PACKAGING:** many supermarkets are now recycling.
-  **HARD PLASTIC:** Winchester is not yet recycling but Portsmouth Council operates collection points. Some garden centres recycle plant pots.

 **Many other items can be recycled - check our website - scan QR**

Energy saving & cost of living advice

HEATING & LIGHTING: the huge increase in the cost of energy is worrying many. Local housing has very mixed energy efficiency. There are some obvious steps we can all take like reducing draughts. For a more complete list of measures visit Energy Saving Trust tinyurl.com/warmhomehacks which also has advice for disabled people on how to get help with energy bills.
